Outdoor Burning Regulations:

1. Burn piles shall contain only **NATURAL VEGETATION**.
2. This permit shall remain on the site at all times.
3. Fires that create a nuisance due to smoke or flying ash may be extinguished.
4. The fire shall be attended at all times by someone who can control and extinguish the fire if required.
5. Only one (1) pile shall be burned at a time and each pile shall be completely extinguished before another is ignited.
6. Burn during calm or very light winds and **only during daylight hours**.
7. All piles shall be located a minimum of fifty feet (50') from any structure, including fences, standing timber and other burn piles.
8. All burn piles shall have an area cleared to mineral earth around the perimeter of the pile that is equal to or greater than the largest dimension of the pile.
9. Attendant shall have readily available near the fire a minimum of five (5) gallons of water in a bucket or a charged hose line.
10. Attendant shall have a shovel at the site.

"I have read, understand and agree to abide by the Outdoor Burning Regulations listed on this permit. I further understand that this permit may be suspended or revoked by a recognized enforcement agent at any time."

"Should the fire escape due to any cause I may be required to furnish sufficient persons and equipment at my expense to suppress the fire to include reimbursement to Snohomish County Fire District #4 or any other approved firefighting agency for all expenses incurred in putting my fire out, unless such hiring and furnishing of equipment and payment of expenses are otherwise provided for by law."
