

# **Snohomish County Fire District #4**

## **REFLECTIVE ADDRESS SIGNS**

### **Help Us, Help YOU!**

Do you have large, easy-to-read reflective address numbers on your house or driveway entrance? Proper addressing is very important to your local fire department for even on a dark, rainy night we can see the signs clearly thus making it easier for us to find your home.

When you order your signs through us it will take 1-2 weeks for your custom sign to be ready for pick up. If you are unable to install the sign yourself, if our crew is available, we may be able to install it for you.

*If you have any questions about this program, please don't hesitate to call us at 360-568-2141, option 1.*

*To place your order for a sign, please complete the form below and either email it, mail it, or drop it off with payment in the form of cash or check only. Payment is due before we can process your request.*

**Mailing & Physical Address:** 1525 Avenue D  
Snohomish WA 98290  
Monday through Friday  
7:00am – 5:00 pm

**Email:** AP@SnohomishFire.org

#### **Directional Arrows**

When filling out the form below, you have the option (at no extra charge) to have directional arrows placed on the sign indicating which direction to your house. Please be sure to double check which way the arrows will be pointing based on the location of your house and where you will place the sign.
